We have a great line of communications with the Mall Management and it is much easier for use to resolve any problems. If Mall Management or Security should ask you to make changes to your display, DO IT immediately and without argument. Then, contact us and we will work to resolve your issues.

In the event of a bad weather on Sunday, Feb. 21, call 845-728-2781 for any updates. We WILL follow the planned schedule in the event of rain or snow. ONLY in the event of a State of Snow Emergency for Reading, Pa., will we adjust our schedule because of bad weather.

**SUGGESTION:** In the past, many teams wrap their tires in cellophane prior to moving the cars into the Mall. It really helps with keeping the floors clean and safe for walking during move in.
